The sessions run on a 6 week block timetable format, with drop in sessions in between. Timetables are published online on the website, social media and sent out via email to those on our mailing list. Sessions are fully funded by grants and donations.

What is the difference between a course and a group?

A course typically lasts 4-6 sessions and follows a set structure, a group is ongoing and the people attending the group often discuss the theme and activities of the group more informally than a course.

What is the attendance criteria?

If you join a course we would like you to attend all of the sessions if you can, but we understand that life gets in the way sometimes and we would encourage you to attend as much as you can. It is OK to repeat our courses if you'd like to. A group is ongoing and you can freely pop in and out of the group sessions as you need to.

Would I be able to volunteer at the Recovery College?

Yes, absolutely. We would recommend that you attend some of the sessions or groups to gain an insight to the organisation first and then contact our Volunteer Manager to begin the process of becoming a volunteer with us.
