Course Descriptions

Alumni Group

These sessions will allow you to meet up with your peers from previous Recovery College courses to discuss how you have been doing since completing the courses and will give you the opportunity to talk about how you have implemented the skills you have learned in your everyday life.

Decider Life Skills – Managing stress and emotions in your everyday life

The Decider Life Skills were designed to enable participants to make effective changes to help manage distress, regulate emotion, increase mindfulness, promote effective communication and to live a more skilful, less impulsive life.

The Decider Life Skills are delivered in an original, fun and creative style, using role plays, props, imagery and music, that makes them easy to learn and easy to teach.

The demonstrations bring the 12 skills to life.

Drawing and Talking

These sessions introduce you to a fun and light-hearted way to enjoy drawing for wellbeing. The process of telling a story about your drawing, answering questions about your drawing and asking others about their drawings inspires creativity and promotes mindfulness.

Drop In Session

Drop in to learn more about our Recovery College, chat to our facilitators, and sign up to any of our courses!

Grief Café

Navigating grief can be overwhelming, but you don't have to do it alone. Join us at our welcoming Grief Support Cafés, where you'll find a safe space to share, listen, and heal with others who understand.

Managing Stress and Worry

In these sessions you will be introduced to a variety of strategies for understanding and managing stress.

Men's Group

This group offers a safe, supportive space for men to come together, share experiences, and explore personal wellbeing. Through open conversation, creative activities, and peer support, participants will develop tools for emotional resilience and managing wellbeing.

Women's Group

This group is an opportunity for women to share experiences and explore personal growth in a safe, welcoming and informal environment. Through guided discussions, creative activities, and peer support, participants will build confidence, strengthen resilience, and foster meaningful connections.

North Cumbria Recovery College - Frequently Asked Questions

What is a Recovery College?

It's a place you can go to learn techniques and strategies to help manage mental and physical wellbeing for yourself or someone you might be caring for. Sessions are supported by Lived Experience Peers which includes NHS Peer Supporters, Together We CIC Volunteers and helpers.

Who is a Recovery College for?

Recovery Colleges are for all Adults aged 18+ that would like to improve their overall mental health and physical wellbeing. Our overall aim at the North Cumbria Recovery College is to improve hope for everyone that uses our service.

Where is the North Cumbria Recovery College based?

We have bases across North Cumbria where we provide a range of courses and groups.

When are the sessions on and how much do they cost?

The sessions run on a 6-week block timetable format, with drop-in sessions in between. Timetables are published online on the website, social media and sent out via email to those on our mailing list. Sessions are fully funded by grants and donations.

What is the difference between a course and a group?

A course typically lasts 4-6 sessions and follows a set structure; a group is ongoing and the people attending the group often discuss the theme and activities of the group more informally than a course.

What is the attendance criteria?

If you join a course, we would like you to attend all of the sessions if you can, but we understand that life gets in the way sometimes and we would encourage you to attend as much as you can. It is OK to repeat our courses if you'd like to. A group is ongoing, and you can freely pop in and out of the group sessions as you need to.

Would I be able to volunteer at the Recovery College?

Yes, absolutely. We would recommend that you attend some of the sessions or groups to gain an insight to the organisation first and then contact our Team Leader to begin the process of becoming a volunteer with us.
