# Course Descriptions

## **Drawing and Talking**

These sessions introduce you to a fun and light-hearted way to enjoy drawing for wellbeing. The process of telling a story about your drawing, answering questions about your drawing and asking others about their drawings inspires creativity and promotes mindfulness.

## **Drop In Session**

Drop in to learn more about our Recovery College, chat to our facilitators, and sign up to any of our courses!

## **Emotional Resilience – Dealing with emotions in the moment and overcoming challenges**

These sessions will help you to understand and manage your own resilience and increase understanding about the resilience of others. You will learn how wellbeing is affected and the positive changes that can be made to improve wellbeing.

## **Wellness Recovery Action Planning**

Written and evidenced by Mary Ellen Copeland, this 6-session course provides you with tools to keep yourself well, notice triggers, identify early warning signs and plan for crisis in an engaging and creative way. It's a great course for anyone who would like to manage their health and wellbeing better.

If you need to create a more detailed Wellness Recovery Action Plan the longer course will include guidance for people that might need to make decisions for you when you are unwell and need someone to act on your behalf to keep you safe and well, it will also cover planning for post in patient care.

# North Cumbria Recovery College - Frequently Asked Questions

## **What is a Recovery College?**

It's a place you can go to learn techniques and strategies to help manage mental and physical wellbeing for yourself or someone you might be caring for. Sessions are supported by Lived Experience Peers which includes NHS Peer Supporters, Together We CIC Volunteers and helpers.

## **Who is a Recovery College for?**

Recovery Colleges are for all Adults aged 18+ that would like to improve their overall mental health and physical wellbeing. Our overall aim at the North Cumbria Recovery College is to improve hope for everyone that uses our service.

## **Where is the North Cumbria Recovery College based?**

We have bases across North Cumbria where we provide a range of courses and groups.

## **When are the sessions on and how much do they cost?**

The sessions run on a 6 week block timetable format, with drop-in sessions in between. Timetables are published online on the website, social media and sent out via email to those on our mailing list. Sessions are fully funded by grants and donations.

## **What is the difference between a course and a group?**

A course typically lasts 4-6 sessions and follows a set structure; a group is ongoing and the people attending the group often discuss the theme and activities of the group more informally than a course.

## **What is the attendance criteria?**

If you join a course, we would like you to attend all of the sessions if you can, but we understand that life gets in the way sometimes and we would encourage you to attend as much as you can. It is OK to repeat our courses if you'd like to. A group is ongoing, and you can freely pop in and out of the group sessions as you need to.

## **Would I be able to volunteer at the Recovery College?**

Yes, absolutely. We would recommend that you attend some of the sessions or groups to gain an insight to the organisation first and then contact our Team Leader to begin the process of becoming a volunteer with us.
