Recovery College Course Themes

Our courses are organised into three themes: Regulate, Reflect and Recover. Together, they offer opportunities to build skills, explore wellbeing, connect with others, and support your recovery through learning.

Regulate

The Regulate theme focuses on helping you understand and manage your emotions, thoughts, and wellbeing. These courses offer practical tools and strategies to help you cope with everyday challenges, build confidence, and improve resilience.

In a supportive and welcoming learning environment, you will explore ways to feel more in control, manage difficult feelings, and develop skills that support your recovery and wellbeing.

Reflect

The Reflect theme provides opportunities to pause, explore your experiences, and focus on your wellbeing. Through creativity, self-expression, and personal reflection, these courses encourage you to develop greater self-awareness and understanding.

Explore ways to build confidence, recognise your strengths, support your wellbeing, and develop practical approaches to staying safe and well. These courses promote personal growth, connection, and recovery through learning and shared experiences.

Recover

The Recover theme focuses on supporting people to build connections, share experiences, and take positive steps towards recovery and wellbeing.

These courses provide opportunities to learn from one another through peer support and shared learning, develop self-confidence, and explore what recovery means to you.

North Cumbria Recovery College - Frequently Asked Questions

What is the difference between a course and a group?

A course typically lasts 4-6 sessions and follows a set structure; a group is ongoing and the people attending the group often discuss the theme and activities of the group more informally than a course.

What is the attendance criteria?

If you join a course, we would like you to attend all of the sessions if you can, but we understand that life gets in the way sometimes and we would encourage you to attend as much as you can. It is OK to repeat our courses if you'd like to. A group is ongoing, and you can freely pop in and out of the group sessions as you need to.

Would I be able to volunteer at the Recovery College?

Yes, absolutely. We would recommend that you attend some of the sessions or groups to gain an insight to the organisation first and then contact our Team Leader to begin the process of becoming a volunteer with us.
